WHAT'S INSIDE

- Welcome Back from the Mid-Term Break
- Science Week
- International Day of the Boy Child Celebration
- Continuous Assessment Test
- Upcoming Events

Dear Esteemed Parents,

Greetings to you all.

We give thanks to God Almighty for the successful completion of the first segment of the Third Term of the 2025/2026 Academic Session. We deeply appreciate your unwavering support, encouragement, and partnership throughout this period. Your commitment to your children's education continues to contribute significantly to our success, and we are truly grateful.

It is always a pleasure working together with such dedicated parents, and we look forward to achieving even greater milestones in the weeks ahead.

WELCOME BACK!

We warmly welcome all our pupils back to school after the Mid-Term Break, which ended on 29th May 2026.

Academic activities have resumed fully, and we are delighted to see our learners returning with renewed energy and enthusiasm. We encourage them to remain focused and continue striving for excellence throughout the remainder of the term.

Science Week

Our Science Week was successfully held and proved to be both educational and exciting. Pupils engaged in various scientific experiments and practical activities that enhanced their understanding of scientific concepts.

One of the highlights of the week was the soap and petroleum jelly making session where learners gained hands-on experience and developed valuable practical skills. The program was both enlightening and impactful for all participants.

International Boys' Day Celebration

The school proudly celebrated International Day of the Boy Child with great enthusiasm. A special guest speaker addressed the boys, inspiring them to become responsible, disciplined, and confident young leaders.

The session was interactive, motivational, and highly beneficial to the pupils.

Continuous Assessment Test (CAT)

The Continuous Assessment Test (CAT) was successfully conducted before the Mid-Term Break. We are pleased with the overall performance of the pupils and commend them for their efforts and dedication.

Following the completion of the final paper on Thursday, 22nd May, Friday was designated as a Fun Day, allowing pupils to relax, socialize, and participate in enjoyable activities in celebration of this year's children's day.

UPCOMING EVENTS

Father's Celebration & Football Match

An exciting celebration is being planned to honor the wonderful fathers in our school community.

Get ready for a memorable football match! Fathers are encouraged to prepare their jerseys, boots, and sporting spirit as we look forward to a day filled with fun, bonding, and healthy competition.

Dining With The King

This month's edition of "Dining with the King" promises to be an enriching experience for our pupils. It will hold on Wednesday, 10th June.

The programme is designed to teach children proper table manners, dining etiquette, and respectful social behavior in formal settings.

Drop Everything And Read (D.E.A.R.)

Our Drop Everything and Read (D.E.A.R.) programme will also take place this month.

This initiative encourages pupils to develop a love for reading by setting aside dedicated time to read quietly and independently. Through this programme, children cultivate concentration, comprehension, and lifelong reading habits.

Quote of the Month

“The beautiful thing about learning is that no one can take it away from you.”

- B. B. King

Thank you for your continued trust, cooperation, and support. Together, we will continue to nurture confident, knowledgeable, and well-rounded learners.

We wish all our pupils a productive and rewarding month ahead.
